PRIVATE BILLS

Excerpts From Standing Orders Relating to Private Bills

97. No petition for any Private Bill shall be received by the House after the first 10 days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time

hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session.

(a) a printed copy of such Bill;

(b) a copy of the petition to be presented to the House;

(c) copies of the notices published, with publication proved by a statutory declaration of affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments

or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the causes of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, 26 ems by 50 ems, on good paper, in imperial octavo form, each page when folded measuring 10 3/4 inches by 7 1/2 inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT

(Effluent)

THIS APPLICATION is to be filed with the Director of Pollution Control, Parliament Buildings, Victoria, B.C. V8V 1X4.

Any person who qualifies as an objector under section 16 of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or where service is required, within 30 days of serving a copy of the application, file with the Director at the above address an objection in writing to the granting of a permit, stating the manner in which he is affected.

Preamble—The purpose of this application is to obtain a permit to construct sewage-holding ponds and a sewage outfall to discharge during ebb tide into Ucluelet Inlet. Construction of these works will eliminate 8 existing outfalls which currently discharge raw sewage continuously into Ucluelet Inlet.

The Corporation of the Village of Ucluelet, Box 9, Ucluelet, B.C. V0R 3A0, hereby applies to the Director for a permit to discharge effluent from sewage-holding ponds to be located off the south end of Helen Street, in the Village of Ucluelet into Ucluelet Inlet, which flows southeast and discharges into Barkley Sound, and gives notice of application to all persons affected.

The land upon which the works are located is Lot 21, Clayoquot Land District.

The discharge shall be located in Ucluelet Inlet, 230 metres northeast from the northern tip of Hyphocus Island.

The quantity of effluent to be discharged is as follows: Average daily discharge (based on operating period), 220,000 gallons (initially); 660,000 gallons (ultimately). Maximum daily discharge, 330,000 gallons (initially); 1,000,000 gallons (ultimately).

The operating period during which the effluent will be discharged is 3 hours a day (from 1½ hours after to 4½ hours after higher high water).

The characteristics of the effluent discharged shall be equivalent to or better than typical domestic sewage and fish-processing waste.

The type of treatment to be applied to the effluent before discharge is coarse and fine

screening, breakpoint chlorination and temporary storage.

This application, dated on July 20, 1981, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT

(Effluent)

THIS APPLICATION is to be filed with the Director of Pollution Control, 1, 3001—43rd Avenue, Vernon, B.C. V2T 3L4.

Any person who qualifies as an objector under section 16 of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or where service is required, within 30 days of serving a copy of the application, file with the Director at the above address an objection in writing to the granting of a permit, stating the manner in which he is affected.

Preamble—The purpose of this application is to obtain a permit under the *Pollution Control Act* to discharge treated effluent on a seasonal basis from the Silver Star ski resort development.

Silver Star Sports Limited, Box 1740, Silver Star Road, Vernon, B.C. V1T 8C3, hereby applies to the Director for a permit to discharge effluent from a ski resort recreational development located in Silver Star Provincial Recreational Area into Vance Creek, which flows east and discharges into Bessette Creek, and gives notice of application to all persons affected.

The land upon which the works are located is Silver Star Provincial Park.

The discharge shall be located at the westernmost tributary at Vance Creek at the 1 510-metre elevation level.

The quantity of effluent to be discharged is as follows: Average daily discharge (based on operating period), winter season—249,700; 55,000; 249.7; summer season—96,000; 21,145; 96.0.

Maximum daily discharge, 384,100; 84,600; 384.1.

The operating period during which the effluent will be discharged is April 15 to July 15.

The characteristics of the effluent discharged shall be equivalent to or better than total suspended solids, 30 mg/L; total solids, 1 000 mg/L; BOD₅, 20 mg/L; pH, 8.0; temperature, 15°C; faecal coliform bacteria, <1 mpn per 100 mL.

The type of treatment to be applied to the effluent before discharge is aerated lagoon, chlorination, facultative storage lagoon, dechlorination and re-aeration.

This application, dated on July 9, 1981, was posted on the ground in accordance with the Pollution Control Regulations.
